### And What Have You

By BOB CRAIG

We do not know of a better way for Hamlin to have a successful Homecoming than to have a win over Stamford like the Pipers came up with Friday night. To most exes a win over Stamford is the highlight of any football season.

The Pipers have come up with some big wins this year, but the real challenge is still ahead of them as they will be hosting the undefeated and unmatched Haskell Indians here Friday night.

Since no one has even come close to stopping the Indians, it is hard to tell just how strong they really are but they seem to have everything it takes to make a good ball club.

But, we are not sure just how strong the Pipers can be when they make up their minds that they want to win. They have had some bad moments this year but when they decide they want to win they have looked great.

Win or lose Friday night, the Pipers will have a good season if they play Haskell the way they played Ballinger and Stamford. We think that an effort like that will give them the victory, but even if it does not, no one can ask for much more.

With the boys playing like they did last week, and if the fans stay in there like they did, I don't see how we can lose.

The Homecoming parades seem to get bigger and better every year and this year was no exception. Except for some of the big city parades, we have never seen any prettier floats than we had in the parade Saturday.

The only suggestion we would offer next year's parade chairman would be to figure out some way to slow everyone down. We would rather see the floats pass by slow enough to enjoy them than to have them double back.

The idea of doubling back sounds much better than it actually works out. You would think that it would give you a chance to see both sides of each float—but it doesn't really. You have to look fast just to read the signs on one float and you just do not have time to see the one coming back.

And speaking of floats, wouldn't it be great if someone could figure out a use for them after the parade? It just seems to be such a waste of all that labor and money to just tear them up when the parade is over.

We are glad to see that a number of organizations are getting involved in letting President Nixon know that the great silent majority of Americans are behind him in his efforts to win a peace in Vietnam. We are sick and tired of seeing and hearing the loud mouthkids and the simple minded politicians get all of the publicity for their efforts to sell us down the river in Vietnam.

We would like to see the Jaycees or some other organization start a letter writing campaign like they did against Mrs. O'Hair's efforts to stop prayer in space. While the campaign against Mrs. O'Hair might have more emotional appeal, we do not believe her threat was near the threat to our future as a great nation as the problem of Vietnam.

We just do not believe there is really as much difference between Vietnam and the many other causes that Americans have fought for over the years. And we only wonder where we would be today if our forefathers had reacted to earlier problems like some people would have us react today.

While he shocked some people, we suspect that it might be well if Nixon turned Vice President Agnew loose some more. We kind of liked what he had to say about the people involved in the last moratorium.

## Raymond Scifres to Head Exes for Coming Year

Ideal weather, a win against Stamford and the half-hour parade downtown made the 1969 Homecoming an outstanding one for former students and teachers of Hamlin Public Schools.

More than 300 registered for the event and some 200 attended the annual business meeting Saturday evening.

Raymond Scifres was elected president of the Association along with Jerry Smith, first vice president; O. H. Weaver Jr., second vice president; Mrs. Jimmy Hale, treasurer; Mrs. Vieta Hartley and Mrs. Ester Hastings, secretaries; and Mrs. Billy Joe Wilson, reporter.

A bonfire Thursday evening at the high school opened the spirited Homecoming activities. Friday afternoon a downtown pep rally was held. A chili supper at the high school preceded the Stamford-Hamlin football game which was won by Hamlin, 10-8.

At halftime Peggy Jones, daughter of Mr. and Mrs. Carl Jones, was named Homecoming queen. Her escort was Charlie Pearce and he placed the crown. Other nominees were Marcia Steele, daughter of Mr. and Mrs. John Steele, escorted by Larry Collins; Janice Crouch, daughter of Mr. and Mrs. C. A. Crouch escorted by Bill Sellers; and Jana Ferguson, daughter of Mr. and Mrs. S. C. Ferguson, escorted by James Holt.

Coming Home Queen was Mrs. Cecil Allison of Wichita Falls, the former Koleta Newsom of the Class of 1928, daughter of the late Claude Newsom and Mrs. Newsom of Wichita Falls. Her late husband was a member of the Hamlin Professional Baseball Team of the West Texas League.

She came out onto the field in a 1928 Chevrolet owned and driven by Floyd Clifton. Her escort was her son, Wayne of Wichita Falls, who also placed her crown. Since the inception of Hamlin Homecomings, she has missed only two, these due to illness in her family. She is employed at Texas Bank and Trust in Wichita.

Winners in the parade were: Business: Beauty — 1. F & M National Bank. Open — 1. Hamlin Hospital Management, 2. Jaycees and Jaycee-ettes and 3. Howard Drug. School: Beauty — 1. Junior Class, 2. Sophomore Class;

Open — 1. FFA 2. Freshman Class and 3. Senior Class. Bicycles: 1. Carl Wade; 2. Mitch Lawlis; 3. Gordon Roberts.

The filming of the parade was unsuccessful because of malfunction of the camera. The film had been planned for presentation on Channel 2 on cable.

At the Saturday evening business meeting Tim Jones served as master of ceremonies. The high school stage band furnished the entertainment.

Recognized for traveling the farthest was John Durham of Indianapolis, Ind. Mrs. Minnie Willingham of the Class of 1916 was the oldest ex-student present.

Mrs. Cliff Reynolds of the Class of 1918 was presented as the one from the earliest class to have attended every Homecoming.

Rhea Sue Vaughan of the Class of 1969 was the youngest ex-student present. She is a student at Midwestern University in Wichita Falls.

Robert Bailey, recipient of the first \$100 scholarship to be presented by the Association, was introduced. He is a student at Hardin-Simmons University in Abilene.

Cliff Reynolds Jr. presented the new slate of officers. Mrs. Robert Fowler is retiring president.

### Robert Pearce Named Offensive Player of Week

Robert Pearce, former Hamlin football player, was named the Lone Star Conference offensive player of the week for Stephen F. Austin.

Pearce passed for 464-yards in SFA's 42-24 win over Southwest Texas Saturday. Pearce completed 27 of 44 passes including 17 of 21 for 200 yards and two touchdowns in the last quarter. The win kept SFT in a tie for the conference lead.

### Turkey Shoot

The Hamlin Jaycees will sponsor a Turkey Shoot Nov. 23 one mile north of Hamlin at the airport.

Proceeds will be used to aid disadvantaged children through a special fund administered by Mrs. W. W. Wallace, school nurse.

Another shoot will be held Dec. 21 for the same project.

### Rev. Max Brown Elected to Baptist Executive Board

Max L. Brown, pastor of the First Baptist Church, Hamlin, has been elected to a three year term on the executive board of the 1.8 million member Baptist General Convention of Texas.

Brown was graduated from Baylor University and Southwestern Baptist Theological Seminary. The BGCT executive board is made up of 192 pastors and laymen who meet quarterly to conduct the business of the convention.

### Funeral Services Held Monday for Perry Sheffield, 74

Funeral for Perry Sheffield, 74, who died at 2:45 a.m. Sunday at the Hamlin Memorial Hospital was held at 12 noon Monday at the Oak Grove Baptist Church.

Officiating was the Rev. B. C. Freeman, pastor. Burial was in Hamlin East Cemetery. Born Aug. 12, 1895, at Seguin, in Guadalupe County, he married Ethel Toliver at Anson Feb. 13, 1951. He was employed by Plains Coop Oil Mill of Hamlin.

Survivors include two sons, Terry Jr. of California and Gary of the home; two daughters, Mrs. Emma L. Holtz of San Antonio and Shirley Sheffield of Dallas; five grandchildren and seven great-grandchildren.

Pallbearers were Henry Bussey, Sammy Williams, Willis Paige, James Mayes, William Brown and Andrew Sparks.

### Leldon Clifton Elected Trustee

Leldon Clifton, chairman of the board of Farmers and Merchants National Bank, was elected one of seven new trustees for Hardin-Simmons University at the annual sessions of the Baptist General Convention of Texas.

Clifton was named to a three-year term.

The 7-AA representative will be decided here Friday night when the Pied Pipers host the Haskell Indians in the final regular season game. A Piper win would give Hamlin a share of the district title and the right to meet Eastland in Bi-District play.

Haskell will go into the game with a perfect 9-0 record and a win or a tie would give them the district championship.

The Indians have scored 350 points with 244 of these in district play and have given up only 82 points in nine games and 63 in district. The Pipers with a 7-2 record have scored 149 points and given up 77 for the season and scored 102 in district and given up 63.

While the Pipers were coming up with their big win over Stamford the Indians were taking an easy victory over Anson, 39-6.

Coach Joe Youngblood told the booster club members Monday evening that his boys had a good workout Monday and he thought that they

would be ready to play Friday.

Scouting reports indicate that the Indians have a big quick line and have three of the best backs in the area in Quarterback Lanny Ivy, Halfback Charles Franklin, and Fullback Keith Everett.

Ivy is rated as one of the best quarterbacks to come out of this area since Jack Mildren of Abilene and Franklin is probably the fastest boy in the district. Everett is a good hard runner that can break lose for big gains.

Probable starters in the line for Haskell will be Donald Love, 169 pounds, at split end, and Roy Pittman, 160 pounds, at tight end; Bobby Philpot, 160 pounds, and Wayne Davis, 185 pounds, at tackles, Clifford Campbell, 207 pounds, and Gary Black, 163 pounds, at guards; and Gary Mayfield, 170 pounds, at center.

In the backfield with Ivy, 175 pounds, Everett, 145 pounds, and Franklin, 153 pounds, will be Terry Chapman, 145 pounds, at flanker.

### Methodist Church Sets Reconciliation Dinner Nov. 19

A Reconciliation dinner is planned at First United Methodist Church Wednesday, Nov. 19, at 7 p.m. The family style basket dinner will be followed with fellowship and program.

The purpose of the meeting will be to consider the work of Reconciliation being done throughout the United Methodist Church and the Reconciliation Fund, the total of which is \$20,000.

The reconciliation movement is a broadening ministry and encompasses those in any area of need. Rev. Jarrel Sharp of Stamford will present the conception of, the application for, and what the project is in Stamford.

Special music will be presented by the "Passers By," a pop folk group from McMurry College in Abilene.

Rev. Cecil Hardaway, local pastor, said an inspirational speaker will be secured and he hopes the announcement of the selection can be made by Sunday services.

All members and friends of First United Methodist Church are urged to attend and be a part of this great fellowship and the work of Reconciliation, the minister added.

### Conservation District Receives Program Funds

Approximately \$46,000 of Great Plains Conservation Program funds were released this week to producers in the California Creek Soil and Water Conservation District.

Ten new Great Plains contracts with Jones County farmers were written with these funds. This brings the total number of active contracts to 115 in Jones County.

Most of the money will be spent on parallel terraces, grassed waterways, brush control, and range seeding.

Farmers and ranchers in Jones County interested in doing conservation work through the Great Plains Program should make application with the Soil Conservation Service in Anson.

### Cubs to Meet

The Cub Scouts will meet Monday, Nov. 17, at 7:30 p.m. in the primary cafeteria.

All Cub Scouts, moms and dads are invited, says Cubmaster Gean Witt.

### THIRD SUNDAY SINGING

The Third Sunday Singing will be held Sunday at 2 p.m. at Foursquare Gospel Church.

Everyone is invited.

200 YEARS OF SERVICE—Eight members were recognized for service to the Hamlin Lions Club with a combined total of 200 years. Receiving the Old Monarch awards at the 40th Anniversary banquet Tuesday evening were, left to right, front row, W. C. Russell, 40 years; Arlie Casale, club president, 35 years; Haskell Carter, 30 years; B. V. Newberry, 30 years; back row, Edgar Duncan, 20 years; W. T. Johnson, 20 years; Leldon Clifton, 15 years, and George Campbell, 10 years.

### Free Measles Injection Program Planned for Ages 1 to 10 Tuesday

The measles injection program sponsored here by the Hamlin Parent-Teacher Association and the State of Texas will be held Tuesday, Nov. 18, at the primary cafeteria for children ages 1 through 10.

All pre-school children are to report to the school from 1:30 to 3:30 p.m. on that date.

In order for the public to be better informed on the need for immunization, the following information concerning the disease had been released by the P-TA.

Rubella, better known as German measles, is generally a mild illness but, if the infection is acquired by a woman in the early months of pregnancy, it poses a direct hazard to the unborn baby. Preventing infection is the principal objective of rubella life.

transmission of virus among children, who are the major source of infection for susceptible pregnant women.

Until now the only way to develop immunity was to have the disease.

Vaccinated children do not spread the disease to others, yet they do develop antibodies and become immune to rubella.

Many birth defects occurred when the country was hit by one of the worst epidemics in recent history — the German measles epidemic of 1963 to 1965. As the epidemic spread from the East Coast to the West Coast, at least 30,000 babies were born with tragic defects. In addition, miscarriage and stillbirth took a high toll. As many as 30,000 babies never had a chance at principal objective of rubella life.

demie was expected early next year. It could still take place — unless we care enough to stop it. A safe, effective German measles vaccine has been developed by a team of medical scientists.

Immunization of large numbers of boys and girls will stop the epidemic before it begins — and save countless thousands of unborn children from the crippling and killing effects the German measles virus. Babies who might be born mentally retarded, blind, or deaf because of rubella will, instead be normal.

The live, attenuated rubella virus vaccine, which is being made available by the Lions Club for children of Stonewall County, appears to be a highly effective immunizing agent and the first suitable safe method of controlling rubella.

No charge is being made for administering the injections and the state is furnishing the vaccine for children age five and older. The local P-TA must pay for the injections for those children

### Weldon Carltons Win John Deere Trip to Hawaii

Mr. and Mrs. Weldon Carlton left Dallas Tuesday morning for a trip to Hawaii sponsored by the John Deere Company. The trip was won by Carlton with John Deere sales.

The Carltons will join other winners in Dallas for the chartered flight. Headquarters will be the Outrigger Hotel in Honolulu.

Enroute there will be a one hour stop for refueling in Los Angeles and the Carltons will be met by their son and family, Mr. and Mrs. Jerry Carlton and Kelly, for a brief visit. The couple will return to Dallas Nov. 19.

Health authorities and P-TA officials are strongly urging all parents to bring their children in for the one injection that is good for life.

## Letter to Editor—

## Homecoming Officers Express Thanks for Successful Weekend

Dear Editor:

The attendance and participation during Homecoming activities was most gratifying to the Exstudent Association. It is very heartwarming to see people return to Hamlin and be given such a warm welcome by Hamlin citizens.

Also, it is thrilling to see the streets of Hamlin lined with people, young and old, enjoying such a delightful parade. This makes it worthwhile to the many, many people who worked so hard on their outstanding floats and entries in the parade.

It would be impossible to thank all the people who helped make this Homecoming such a success. However, we do wish to thank the chairman of each committee for being so efficient and doing such an

outstanding job.

Homecoming would not be possible without the cooperation of school officials and the use of school facilities which were so cheerfully extended for all our preparations and during Homecoming events. Our gratitude goes to them for their kindness and consideration.

Thank you, Hamlin, for making this Homecoming such a great success.

Sincerely,

The retiring officers  
Mrs. Robert Fowler, president  
O. H. Weaver, vice president  
Tommy Robertson, treasurer  
Janice Wade, secretary

## Hamlin High Happenings

## Piper Patter

Mary Wallace  
Thomas Goolsby  
Toni Casey

The Pipers, spirited from last week's defeat, rallied their forces to beat the Stamford Bulldogs 10-8. Robert Bolden made the only touchdown during the first quarter. Duane Stewart kicked the extra point. He also kicked the field goal in the fourth quarter bringing to Hamlin the total of 10. This week the Pipers face the undefeated Haskell Indians. Go to the game and support the Pipers.

Peggy Jones was crowned the 1969 Homecoming Queen during the half-time activities of the Hamlin - Stamford game. She was crowned by her escort, Charles Pearce. Other nominees were Janice Crouch, Jana Ferguson, and Marcia Steele.

The National Honor Society hosted a coffee last Saturday morning in the teacher's lounge for ex-members. The guests were greeted at the door by the president, Chris Perrin. They were then served by Marcia Steele and Mary Wallace.

Members of the HHS Student Council served as guides for people wishing to tour the high school building last Saturday. There were many exes who had not yet seen the high school.

## Jane Hopper, Tim Graham Tell Wedding Plans

Mr. and Mrs. Eddie B. Hopper, announce the engagement and approaching marriage of their daughter, Cecilia Jane, to Timothy G. Graham of Abilene.

The prospective bridegroom is the son of Mr. and Mrs. Loyd Graham of Abilene and grandson of Mr. and Mrs. George Bury of Hamlin.

The wedding will be at 6 p.m. in the home of the bride-elect's parents in Hamlin, 527 N. W. Ave. B.

The bride attended Hamlin High School. The bridegroom attended Clyde High School.

## BRIDGE WINNERS

Mrs. Floyd Briscoe and Mrs. W. O. Wilbanks won first at the Tuesday evening meeting of Hamlin Duplicate Bridge Club.

Mrs. Gene Knable and Mrs. Dale Lain were second and Mrs. Harry Yates of Stamford and Preston Morrow of Rotan were third.

Beginning Tuesday the club will meet at 7 p.m. The meetings are held weekly at the Jaycee Community Building.

at Fair Park Stadium in Abilene.

The 1969 Piper Band Sweetheart will be crowned during half-time of the Hamlin-Haskell football game Friday night. Nominees for sweetheart are Peggy Jones, Jana Ferguson, Jan Young, and Marcia Steele. All of the girls are seniors and have been in the band eight years. During their high school years each has taken an active part in band activities. Peggy has been a majorette for two years and is now serving as head majorette as well as band officer. She has participated in region al solo and ensemble contests and went to state solo and ensemble contest in Austin last summer. Jana is serving as a band majorette this year. She also earned a band jacket her sophomore year. Jana

has participated in several solo and ensemble contests. Marcia, too has been involved in many band events.

It is six-weeks time again and students are being forced back into the grind of studying after a week of maddening homecoming rush. Teachers are in the process of giving six-weeks tests to see what, if anything, their students have learned. Due to the six-weeks both the N. H. S. patriotic assembly and the Student Council Kangaroo Court have been postponed.

Mr. and Mrs. Jose Oberlin Lopez are parents of a boy, Jesse, born Nov. 7 at 12:07 a.m. He weighed 8 lbs. 5 oz.

**how**  
**can Lone Star Gas**  
**help you get rid**  
**of wrinkles?**

We know all wrinkles are not due to aging. Some are due to drying. And dryers.

Some dryers affect clothes the way sun affects skin. They not only dry out moisture. They bake in wrinkles. Even in permanent press.

But gas dryers are more sensitive to your family's clothing. And more sympathetic to your work load.

Most new gas dryers have a special cool-down cycle that turns off the heat before your clothes become overheated.

That means your clothes have fewer wrinkles. And you have less ironing.

You also have less expensive utility bills. Because gas dries for about a penny a load.

See your gas appliance dealer or Lone Star Gas Company. Find out how to take it a little easier. And avoid wrinkles.

Make your life  
have the right ...

Impact

on others

The Church is God's appointed agency in this world for spreading the knowledge of His love for man and of His demand for man to respond to that love by loving his neighbor. Without this grounding in the love of God, no government or society or way of life will long persevere and the freedoms which we hold so dear will inevitably perish. Therefore, even from a selfish point of view, one should support the Church for the sake of the welfare of himself and his family. Beyond that, however, every person should uphold and participate in the Church because it tells the truth about man's life, death and destiny; the truth which alone will set him free to live as a child of God.

THE HAMLIN HERALD

The carpenter knows that there is a proper way to hold the hammer, and that the nail must be hit from the right direction or the nail will bend. As children of God we need to make the right impact on others. When we attend church we learn how to treat others, and at the same time are setting an example for others. If we remain straight as a well hit nail, then others are less likely to bend. "For I have given you an example, that ye should do as I have done to you."

# Pipers Down Bulldogs In Final Period, 10-8

The Pied Pipers won a hard fought defensive battle with the Stamford Bulldogs here Friday night to remain in the District 7-AA title race, 10-8. The Pipers thrilled a capacity Homecoming crowd as they came from behind in the final period on a 24-yard field goal to win.

The Piper offense took an early lead as they drove 55 yards to score in the opening minutes of the game. The Bulldogs came back in the second period to score and go out in front 8-7, on a two point conversion play.

Except for a second period leak, the tight Piper defense kept the Bulldog offense contained as they allowed them only one first down in the other three quarters, this one coming in the final minutes of the game.

The Pipers ran 74 offensive plays to the Bulldogs' 48 and completely dominated the first period as they ran 28 plays to the opponents' 7.

Stamford opened up the contest with an on side kick that they recovered on their own 48-yard line only to fumble on the first play with the Pipers recovering on their 45.

Robert Bolden picked up 3 yards, Spencer Ford 6 and Bolden gained the first down with an 8-yard carry. A Bolden to Gary Smith, halfback, pass play missed by inches and Bolden carried in the next down for 5 and Ford added 4 more yards. Facing a fourth and one, the Pipers sent Bolden on a sweep that gained the first with two yards to spare.

Quarterback Charlie Shira just missed Bolden on a deep pass, then Bolden picked up 3 yards and on third down Shira hit Smith on a quick pass good for 12 yards and the first down. With the ball placed on the 11-yard line, Bolden swept his right end again, this time going all the way for the score. Hamlin drew a 5-yard penalty on the extra point try and Duane Stewart added the point after from five yards further out.

The Piper defense held the Bulldogs following the kick and drove from their own 36-yard line after a short punt. Picking up four first downs, the Pipers were faced with a fourth and four situation on the Stamford 11 and Shira just missed by inches on a keeper around his left end.

The Bulldogs fumbled on second down with the Pipers recovering on the Stamford 13. Gaining five yards in three plays the Pipers called on Stewart to try a 25-yard field goal that was off to the left.

Stamford put together their only major drive of the evening as they moved from their own 20-yard line to pay dirt in 10 plays with Quarterback Craig Haterius passing 23-yards to Jerry Boles for the score. Haterius found end

Austin Bolin in the end zone for the two point play that put the Bulldogs out in front.

The two teams swapped the ball back and forth for most of the second period with Stamford getting another drive going near the end of the first half. The clock ran out with Stamford on the Hamlin 13.

The Pipers put together the only drive of the third period as they moved from their own 20 to the Stamford 33.

Stamford got off a long 48-yard punt on the third play of the final period with Robert Bolden returning it to where the Bulldogs had kicked it. Ford and Shira took turns carrying the ball as they moved it to the Stamford 16. Bolden gained 3, Ford 6 and Shira was stopped for no gain. Facing fourth and one, the Pipers called on Stewart again and this time he split the upright from 24-yards out for the three points that put the Pipers out in front again.

The two teams exchanged punts with Stamford ending up on their own 12. The Bulldogs gained their only first down of the second half as Haterius carried for 10. Two

plays later Bolden intercepted a Haterius pass at the 40 and returned it to the Stamford 12. Shira fell on the ball twice to run out the clock to give the Pipers their fifth district victory.

## EAGLES SPEAK

The McCaulley Eagles added another victory to their list as they defeated the Ira Bulldogs last Friday night. After four full quarters, the score was the Eagles, 52 and the Bulldogs 7. Larry Smart made three touchdowns Mingo Benavides made six extra points. Teddy Current made two touchdowns. Johnny Joe Del Santos, Donnie Gann and Eddie Gibson each made one touchdown.

So far we've had seven wins and one loss. We are very proud of our boys.

Our Jr. High boys won their game last Thursday. They played at Blackwell and the score was 55-8. They play their last game this week at McCaulley against Hobbs. During halftime they plan to crown hero and sweetheart.

We would like to congratulate Hamlin in their victory against Stamford. We wish them luck in all their games.

## Students Learning To Write Stories For Newspapers

Students attending the Grade 5 reading center class are learning to write items for the newspaper as a part of their studies. The best one is selected for publication.

This week the subject was "Why I like to read the Hamlin Herald."

Stanley Jones' paper was chosen. It is as follows: I like to read the Hamlin Herald because it tells you about the people you know and it tells about football games and when parades are going to be.

Our Reading Center class had an article published in the Hamlin Herald last week. Each student read the newspaper during our class period. It is much easier to read the paper because it is about things that are interesting.

We enjoy reading our hometown newspaper because it is about people we know and about things we like such as sports.

Mr. and Mrs. W. W. Goodwin returned from spending a week in Alexandria, La., visiting with their daughter and son-in-law, Mr. and Mrs. Paul Frazier. Frazier received

his discharge from the Air Force and the couple are moving to Hartford, Conn., this week.

News deadline is noon Tuesday.
